The Parent & Child Nanny Agency

# Food and drink Policy

## Policy statement

During an event childcare booking, The Parent & Child Nanny Agency will assist with mealtimes. All food and drink consumed within the event childcare booking will be provided by:

- a. The event itself
- b. The parents
- c. The agency (if this is part of the agreed package such as movie's and popcorn)

We will always determine:

1. If any child has an allergy or intolerance
2. Whether alternative food and drink arrangements have been provided for any child

## We request:

No peanuts/nuts/peanut butter are brought in to the event childcare setting

Fizzy drinks/sweets are kept to a minimum

No chewing gum/bubble gum is brought in to the childcare setting

Parents/guardians must advise us of the contents of the food and drink if this is likely to be messy or if any provisions are required (ie heating/cooling).
