THE WEDDING CRÈCHE

The wedding play crèche can be added to any wedding nanny booking as an add on package where entertainment is also required. Our creche is tailored to all ages from newborns to teens and includes a large selection of activities that meet the needs of each little guest.

WHAT IS INCLUDED?

A timetable of wedding-themed activities such as mask making, treasure hunts, flower crown making, scavenger hunts, face painting, movies and popcorn, a glow disco, flag making, puzzles, parachute and garden games, toys, interactive games...
(as each booking is unique, your crèche will be designed around the weather, the location, the facilities, hazards etc)

The creche does not include the wedding nannies. You will need to book these separately.

HOW DOES IT WORK?

- 1 Once you have booked the wedding crèche, we will liaise directly with your venue to let them know we are coming. We may also visit the venue in advance to plan the creche layout.
- 2 We will arrive several hours early on the day of the booking to create a fun and exciting play area for your little guests.
- 3 Your wedding nannies will arrive 15 minutes prior to the scheduled start time and be ready to sign each of your little guests into our creche.
- 4 Your wedding nannies will follow a program of activities throughout the day and will take in to account the children's meals and timings for the day provided by you.
- 5 At the end of the booking, each little guest will receive a bespoke gift bag to keep all their special activities and makes from the day.

HOW MUCH DOES IT COST?

The wedding creche is an add-on to your wedding nanny service and costs £995.00. This covers a period of up to 10 hours. The creche size allows for 15 children; however, the creche can expand and accommodate more children on request. Use our [REQUEST A QUOTE](#) form in order to provide an accurate cost. Once you have requested a quote, we can create the right package for you.

HOW MANY CHILDREN CAN BE CARED FOR?

We work above Ofsted's minimum staffing ratio for complete peace of mind. We will book the correct number of wedding nannies needed to run the creche based on:

- 0 to 3 months 1 Wedding Event Nanny per child
- 3 months to 5 years 1 Wedding Event Nanny to every 3 children
- 5 years to 12 years 1 Wedding Event Nanny to every 4 children
- 13+ years 1 Wedding Event Nanny to every 6 children

ADDITIONAL NANNIES

If you require childcare you will need to book the number of wedding nannies required based on their ages. You can also book a creche with just two wedding nanny monitoring the creche but parents will need to be responsible for and accompany their child in this instance.

We work above Ofsted minimum staffing ratio's when sole charge childcare is required.
